ACTION
MEMORANDUM FOR THE PRESIDENT

FROM: THE VICE PRESIDENT
SUBJECT: Special Situation Group (SSG) Recommendations
Regarding Arms Deliveries to Nicaragua

Based on your direction at the NSPG meeting of May 31, 1983, the SSG convened in the White House Situation Room on June 1, 1983. The objective of the meeting was to finalize options that could be implemented within the scope of current Findings in an effort to interdict the flow of arms into Nicaragua.

The measures proposed below are determined to be the most effective means by which we can take action within the limits of the Presidential Findings at Tabs A and B. They are also designed to fulfill the intent of the House Permanent Select Committee on Intelligence and the Senate Select Committee on Intelligence regarding arms interdiction. Finally, these measures will give an unmistakable signal to the Soviets and Cubans that such deliveries are unacceptable.
